

GRAND LIGHTING™

GL300 GEN II LED GOBO PROJECTOR

Encased in an IP65 enclosure this fully weatherised fixture is perfect for your outdoor evening installation for projections 10+ metres or when you have a bright area you want to project onto.

The high quality optical system produces a crisp vivid gobo image and the flat field gives you a crystal clear projection right to the edge.

All come with your choice of fixed lens to suit your location and built in gobo rotation that can be easily turned on or off using the side button.

FEATURES

- High quality optical system offers sharp image quality
- IP65 suitable for indoor & outdoor use
- 2 fixed lens options available
- Built in rotation
- Rear cooling fins and waterproof fan protected by 1.5mm mesh
- Available in black
- 24 month warranty
- Cool white LED as standard. Warm white available upon request
